PROFESSIONAL EXPERIENCE

Performance Marketing Team Lead (Remote) - Regional Digital Team

Jun 2025 - Present

PNJ - Phu Nhuan Jewelry Joint Stock Company | Jewelry & Retail

- Lead a standalone remote performance team supporting selected PNJ branches while coordinating with central digital functions at headquarters.
- Set up, launch, monitor and optimize campaigns across Meta Ads, Google Ads, YouTube Ads and TikTok Ads; manage audiences, creatives, budgets, campaign settings and delivery timelines.
- Scaled monthly advertising investment toward VND 400 million (approximately USD 15K) while maintaining acquisition efficiency through campaign structure, audience strategy, creative testing and disciplined pacing.
- Improved new-customer inquiries from approximately 40 to 120-170 per comparable VND 2 million spend, doubled inquiry-to-purchase conversion from 20% to approximately 40%, and reduced estimated cost per converted customer by 83-88%.
- Coordinate with Content, Design, Sales and Operations to ensure campaign assets, lead follow-up and online-to-offline purchase journeys are delivered on schedule.

Digital Marketing Team Lead & Deputy Online Sales Team Lead

Jul 2023 - Present

International Food Master | FMCG Manufacturing & Export

- Contribute to company-wide annual marketing planning, coordination, forecasting and performance measurement across approximately VND 40 billion in planned 2026 marketing investment. The business reported approximately VND 332 billion in revenue in 2023, VND 450 billion in 2024 and VND 670 billion in 2025, with approximately VND 800 billion targeted for 2026.
- Built and governed digital investment plans of VND 3.3 billion for 2024 and VND 4.5 billion for 2025, scaling direct annual paid-media responsibility toward VND 5 billion with channel-, campaign-, brand-, product- and month-level KPI tracking.
- Designed a dedicated VND 362.5 million (approximately USD 13.8K) TikTok Code Ads plan for KOL/KOC amplification across priority brands and products.
- Supported market-specific campaigns in Vietnam, the United States and Japan; coordinated paid media with Branding, Sales, Finance and R&D to align investment with product priorities, distribution and revenue goals.
- Maintained Excel/Google Sheets reporting for marketing calendars, expense tracking, budget pacing, actual-versus-plan variance, forecasting and management review.

SELECTED PERFORMANCE MARKETING & OPERATIONS PROJECTS

Meta Ads Funnel & Acquisition Optimization
Audience, creative and conversion-performance diagnostics

- Connected reach, engagement, traffic, inquiries and purchase conversion to identify funnel drop-offs and recommend practical Meta Ads optimizations.
- Compared audience, creative, market, product and campaign performance to separate media-quality issues from sales follow-up and conversion constraints.
- Structured annual and monthly budget plans, actual-versus-plan tracking, variance analysis, pacing, rolling forecasts and overspending alerts using Excel and Google Sheets.

Selected project

Marketing Operations & Budget Control
Campaign calendar, expense tracking, pacing and forecasting

- Built management views for channel mix, unit cost, under-delivery risk and budget reallocation opportunities.
- Supported market-specific campaign planning for Vietnam, the United States and Japan using local market context, product priorities and cross-functional input.
- Applied a research-led localization workflow covering audience behavior, cultural context, public holidays, competitors and campaign relevance - transferable to Singapore market support.

Selected project

International & Creator Campaign Support
Market localization and TikTok Code Ads planning

- Allocated a VND 362.5 million creator-amplification pool across priority product lines using reach targets, strategic priority and budget weight.
- Translated campaign findings into concise management recommendations: what changed, why it matters commercially and which action should be taken next.
