CORE EXPERTISE

Performance Marketing • Media Budget Planning • Business Intelligence • Marketing Analytics • Data Visualization • SQL/PostgreSQL • Advanced Excel & Google Sheets • Power BI/Looker Studio • KPI Forecasting • Budget Variance & Reforecasting • Funnel Analysis • Unit Economics • KOL/KOC Planning • Cross-functional Leadership

PROFESSIONAL EXPERIENCE

Performance Marketing Team Lead (Remote) - Regional Digital Team Jun 2025 - Present
PNJ - Phu Nhuan Jewelry Joint Stock Company | Jewelry & Retail

- Lead a standalone remote performance team supporting selected PNJ branches while coordinating with central digital functions at headquarters.
- Manage and optimize cross-channel advertising across Meta Ads, Google Ads, YouTube Ads and TikTok Ads; translate branch revenue expectations into monthly, quarterly and annual media plans.
- Scaled monthly advertising investment toward VND 400 million (approximately USD 15K) while maintaining acquisition efficiency through campaign structure, audience strategy, creative testing and disciplined pacing.
- Improved new-customer inquiries from approximately 40 to 120-170 per comparable VND 2 million spend, doubled inquiry-to-purchase conversion from 20% to approximately 40%, and reduced estimated cost per converted customer by 83-88%.
- Build decision-ready reporting that connects media delivery, lead quality, sales follow-up and online-to-offline purchase outcomes.

Digital Marketing Team Lead & Deputy Online Sales Team Lead Jul 2023 - Present
International Food Master | FMCG Manufacturing & Export

- Develop performance marketing and brand-growth initiatives for seasonings, fish sauce, hot-pot broths, OEM manufacturing, private-label products and nationwide distribution.
- Built multi-year digital investment plans: VND 3.3 billion for 2024 and VND 4.5 billion for 2025, with channel-, campaign-, brand-, product- and month-level KPI architecture.
- Designed a separate VND 362.5 million (approximately USD 13.8K) TikTok Code Ads plan for KOL/KOC amplification across priority brands and products.
- Supported market-specific campaigns in Vietnam, the United States and Japan; coordinated paid media with Branding, Sales, Finance and R&D to align investment with product priorities, distribution and revenue goals.
- Created structured Excel/Sheets reporting for unit costs, weekly pacing, actual-vs-plan variance, forecasting and management review.

Multi-year Media Budget & KPI Model
Operational analytics using anonymized 2024-2026 planning datasets

- Modeled annual media budgets across Facebook, Google, YouTube, TikTok and Zalo with channel, objective, brand, product, month and weekly pacing dimensions.
- Structured plan, actual, variance and rolling-reforecast logic; built unit-cost and KPI dictionaries to support comparable performance analysis and financial accountability.
- Designed management views for budget growth, channel mix, cost diagnostics, under-delivery risk and reallocation opportunities.

Selected project

Performance Funnel & Acquisition Diagnostic
Marketing and commercial decision support

- Connected reach, engagement, traffic, inquiries, purchase conversion and estimated customer cost to identify where funnel efficiency was gained or lost.
- Used cohort, market, product and campaign comparisons to separate media-quality issues from sales-follow-up and conversion constraints.
- Translated technical findings into executive narratives: what changed, why it matters financially and which action should be taken next.

Selected project

Creator-media Allocation & Data Visualization
TikTok Code Ads planning and dashboard concept

- Allocated a dedicated VND 362.5 million creator-amplification pool across priority product lines using reach targets, strategic priority and budget weight.
- Designed dashboard concepts for budget allocation, target delivery, brand/product contribution and executive scorecards using Power BI / Looker Studio principles.

Selected project

TOOLS & ANALYTICS

Advanced spreadsheet modeling	Microsoft Excel, Google Sheets, PivotTables, XLOOKUP, SUMIFS, scenario planning, data cleaning, variance analysis, financial and management reporting
SQL & data modeling	PostgreSQL, DBeaver, SELECT, JOIN, GROUP BY, CTEs, window functions, validation checks, funnel queries and reusable dataset design
BI & data visualization	Power BI, Looker Studio, interactive filters, calculated metrics, scorecards, drill-down views, funnel diagnostics, channel mix and executive storytelling
Marketing platforms	Meta Ads Manager, Google Ads, YouTube Ads, TikTok Ads; audience, creative, cost, pacing and conversion analysis

EDUCATION & LANGUAGES

Bachelor of Industrial Management | Ho Chi Minh City University of Technology (Bach Khoa University) | 2023

Four-year academic foundation in operations, finance, statistics, business planning and management decision-making.
